

Print a few copies of this flyer and slice it up along the dotted lines. Keep some handy in your wallet so you have them ready to hand out when you meet a Zimbabwean or someone who employs Zimbabweans. You can also keep a pile on the dashboard of your car to give to the guys working at traffic lights or selling their wares along the sides of roads. Ask those people to **PASS THEM ON** and **SPREAD THE WORD**. You can also leave them where people can pick them up: public toilets in shopping centres and garages. Please distribute these as widely as you can.
